OILS, LUBRICANTS AND GREASES – OAHU, MAUI AND KAUAI

(IFB-04-055-SW)

February 15, 2004 to February 14, 2005

STATE'S COMMITMENT. Agencies of the following purchasing jurisdictions are required to purchase from this price list: ●Executive Branch ●Maui County

EXCEPTION TO THE PRICE LIST. When the use of the price list is not suited to an agency's purpose, the appropriate purchasing jurisdiction may grant an exception to purchase outside of the price list. For this purpose, Executive Branch agencies shall use SPO Form-5, "Request for Authorization to Purchase Outside of the Price List", available at the SPO Website, www.spo.hawaii.gov; click on "Forms" for State agencies under the Hawaii Public Procurement Code, Chapter 103D, HRS menu.

POINT OF CONTACT. Questions regarding the listed, ordering, pricing, and status should be directed to the vendor(s).

Procurement questions or complaints may be directed as follows:

Jurisdiction	Name	Telephone	FAX	E-mail
Executive	Alvin Washiashi	586-0571	586-0570	alvin.washiashi@hawaii.gov
Maui County	Greg King	270-7488	270-7138	Greg.king@co.maui.hi.us

USE OF PRICE LIST BY NONPROFIT ORGANIZATIONS

Pursuant to §103D-804, HRS, nonprofit organizations with current purchase of service contract(s) (Chapter 103F, HRS) have been invited to participate in SPO price lists.

If a nonprofit organization (hereinafter called "nonprofit") wishes to purchase from a SPO price list, the nonprofit must obtain approval from each price list vendor, i.e., participation must be mutually agreed upon. If a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the vendor is required to extend to the nonprofit, the exact terms and conditions, including price(s), of the price list and not a portion of the price list agreement. However, the nonprofit will retain its right to purchase from other than a price list vendor.

A price list vendor may choose to deny a nonprofit participation in the price list. If this occurs, but the vendor wishes to offer an alternative proposal, it is understood and agreed that the proposal and subsequent agreement between the vendor and the nonprofit shall be independent of this price list agreement.

At the time of award, the SPO will inform vendor(s) as to which nonprofits are interested in participating.

VENDOR CODES for annotation on purchase orders are obtainable from the "Alphabetical Vendor Edit Table Report" available at your department's fiscal office. **Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.** Therefore, when processing an invoice for payment, be sure that the correct vendor code is used.

BASE UNIT PRICES include delivery to destination and all other costs incurred, except the following applicable taxes:

1. Hawaii General Excise Tax (GET), not to exceed the current rate of 4% and computed on the base unit price only;
2. Hawaii Environmental Response Tax; and
3. Drum deposits and credits

The vendor will list on the invoice the GET, Hawaii Environmental tax and drum deposits or credits as separate line items to the base unit prices. There shall be no GET tax assessed on drum deposits or credits.

PURCHASE ORDERS shall be issued on an as needed basis during the price list period. It is the responsibility of each agency to insure timely issuance of purchase orders. Vendor is not obliged to accept any order received after the price list expiration date; however, shall fill timely orders for which delivery may extend beyond the expiration date. Do not issue purchase orders specifying delivery after the price list expiration date.

"**SPO PRICE LIST NO. 04-18**" is to be typed on purchase orders issued against this price list, along with delivery address and name and requisition number.

ADJUSTMENTS. Base unit prices will not be subject to adjustments during the period from February 15, 2004 through July 15, 2004. After this period, contract price adjustments will be allowed at three (3) month intervals only provided proper documentation supporting price adjustments are approved by the State Procurement Office as detailed in the Special Provisions section of the this contract. Vendor shall provide all delivery locations and the State Procurement office with written documentation supporting any price adjustment.

DELIVERIES. Deliveries of \$25.00 or more (excluding the 4% Hawaii Excise Tax) shall be completed within seven working days after receipt of order. Orders under \$25.00 shall be considered "will call" orders and made available within a three - (3) hour notice to the Contractor and delivered only at the option of the Contractor according to their normal delivery schedule. Contractor may coordinate a delivery schedule with each user agency that is within the specified delivery days and satisfactory to both user and Contractor.

Contractor will be required to deliver all items outstanding at the end of contract on orders received during the term of contract.

DRUM DEPOSIT. All returnable 55-gallon drums in which products are delivered shall remain the property of the Contractor. The State shall pay the deposit charge as listed on the offer form for each drum. Such deposit shall be refunded or credited to the State, without interest, if the drum or barrel is returned to the Contractor in good usable condition. The Contractor shall be required to pickup its drum or barrel delivered under this contract and refund any deposit due to the agency after the end of the contract period. If the drum is not in good condition or lost, the State waives the drum deposit. However, the Contractor shall remain responsible for pickup and proper disposal of all damaged drums.

Deliveries shall be coordinated between the agencies and the Contractor. Agencies shall provide the Contractor with a twenty-four (24) hour notice prior to all deliveries, unless otherwise agreed upon. Contractor may coordinate with each agency a delivery schedule within the specified delivery days satisfactory to both parties.

Contractor will be required to deliver all items outstanding at the end of contract period.
